(music: A. Vandenberg, lyrics: R. Young, A. Vandenberg)

So many questions, uncertainties, they're tryin' to get me slowly to my knees

And time is slippin' away

My vision's cloudy, I'm filled with doubt

My soul is burning, a flame I can't put out

And time is slippin' away, time is slippin' away

Well the sun is shining, black skies I see

As I look in the mirror, who is that looking back at me?

Well I'm losing the focus, as I try to cop a plea

Won't you please stop the hurtin', won't you set me free, yeah yeah

Oh, won't you set me free

Well I feel like I'm slippin', my mind starts a trippin'

I can see that I'm spacin', 'cause I know that I'm facin' it all

Well I'm feeling so uncertain, what's coming over me

Well I can't stop the hurting, it's getting hard to see, yeah yeah

Oh, so hard to see

Chorus:

There's a fire in my soul, I can't put it out, as it burns through my heart

There's a fire in my soul, can't put it out, I can't put it out

As I'm siftin' through confusion, I'm searchin' for the light

I'm falling deeper, I just wish I could sleep through the night, all right

Can I make it through the night

(chorus)

My vision's cloudy, I'm filled with doubt

My soul is burning, a flame I can't put out

And time is slippin' away

(chorus)

(Solo)

My vision's cloudy, I'm filled with doubt

My soul is burning, a flame I can't put out

And time is slippin' away

(chorus)

There's a fire in my soul, and it's burning through my
heart
There's a fire, there's a fire, there's a fire in my soul,
oh yeah
And it's burning, burning, yeah
