Hold me down  
I dont ever want to see the day  
When my time will come  
Is it ever going to end

Im not here  
Wish that last of the year  
Where do we go now  
Another blackout

Hanging onto nothing  
Hanging onto nothing  
Hanging onto nothing  
Hanging onto nothing

Im not real  
But Id like to have a chance to feel  
Before we reach the time  
Decide what now is right

Im not here  
Wish the last of the year  
Where do we go now  
Another blackout

Hanging onto nothing  
Hanging onto nothing, etc.

And nothing is nothing is nothing
