From journalist to video to channel 4 tv
My life is fulfilled so adequately
I love my dealer and I travel the world
From freelance to new dance
And I expect on the world I am
From cantonese food to fashionable friends
The list of invites never seems to end
So bomb london and its mps
John major virginia bottomley
So bomb london and its legislature
Acidic wit, beauty and charm
It doesnt take much to twist my arm
Free trip free drink it all goes down so so well
Maybe a sunday supplement will come up soon
A documentary on censorship sounds real cool
Its easy to see that I went to public school
So bomb london and its mps
John major virginia bottomley
Bomb london and its legislature
So bomb london and its mps
John major virginia bottomley
Bomb london and its legislature
So bomb london and its magazine
Time-out face and id.
Bomb london its music and its culture
You aint ever been a racist
But tyson was guilty, man
He was guilty
