We are one but we're not the same  
For a thousand years we've played this game And the  
tension rises up  
Ya the passion's given up

So our God reaches to unite  
While amongst ourselves we fight  
And I'm sick of wasting time  
Ya I got something on my mind

So lift your hands, move your feet  
Get your, get yourself ready  
Lift your flags, hit the streets  
And charge

So lift your hands, move your feet  
Get your, get yourself ready  
Lift your flags, hit the streets  
And charge

No you can never stop it from coming  
Those against me can take off running  
Cause there's something going down  
Ya these walls are coming down  
Cause the truth that has been said  
Will unite us once again  
Cause there's something going down  
Ya these walls are coming down

Can we practice what we preach  
And turn these fists into hands that reach Embrace  
ourselves with open

arms Turn this hate into loving heart

What goes up, must come down  
So I'll march towards this town  
And undo what has been done  
Tear down these bricks and stones one by one

So lift your hands, move your feet  
Get your, get yourself ready

Lift your flags, hit the streets  
And charge

So lift your hands, move your feet  
Get your, get yourself ready  
Lift your flags, hit the streets  
And charge

No you can never stop it from coming  
Those against me can take off running  
Cause there's something going down  
Ya these walls are coming down  
Cause the truth that has been said  
Will unite us once again

Cause there's something going down  
Ya these walls are coming down  
No you can never stop it from coming  
No you can never stop
