Jewels drip red and I dont sound proud
Treason is ambition I want dead procession
All we got unholy left-overs of a compromise
Leaving us like butterflies trapped in frost

(bow down)

Ceremony rape machine
Love wont corrode you
Ceremony rape machine
Love wont corrode you

Englands glory lives on in world wide genocide
So celebrate buchenwald as her majestys heir
Now an obsolete face on a currency of illusion
No matter what we own we cant buy freedom

Ceremony rape machine
Love wont corrode you
Ceremony rape machine
Love wont corrode you

Throw myself against you cos you aint frail
Underneath silk riches sixty six million giving slaves
This needle of religions gonna rust my skin
Tear out and exit obeysance of created sin

Ceremony rape machine
Love wont corrode you
Ceremony rape machine
Love wont corrode you baby

Faces pressed at gates of anniversary torture
Without these fake images wed never bow down
Dont need this history but we still accept
Conscripted into a past that invents our guilt

Ceremony rape machine
Love wont corrode you
Ceremony rape machine
Love wont corrode you
