Mommy's little cholo dropped out of school
Drinking 40 ouncers and smoking a dozen bowls
He loves to go out cruising with his homeboys
He loves to go out and make some noise

He doesn't wanna be a gardener
Or a dude diggin' a ditch
He's 20 years old, never had a job
And the welfare pays his rent

His brother's in the pita
And his sister's on parole
His parents say, "Mijo
We're praying for your soul"

He's mommy's little cholo
He's mommy's little cholo
Don't wake him in a fit

Mommy's little chola shoots methadrine
Mommy's little chola had sex at 15
All the home girls thinks she's cool
She's gonna go out to beauty school

She has no problem with he vatos in the bed
She's got a homeboy, his name's Little Ben
He knocked her up before he went to jail
And she's got no money for his bail

Her eyes were like a raccoons
She wasn't born with a silver spoon
Hair sprayed up to the sky
Teardrop tattoo under her eye

She's mommy's little chola
She's mommy's little chola
Don't take her life away

Her eyes were like a raccoons
She wasn't born with a silver spoon
Hair sprayed up to the sky
Teardrop tattoo under her eye

She's mommy's little chola
She's mommy's little chola
Don't take her life away

She's mommy's little chola
She's mommy's little chola
She's mommy's little chola
She's mommy's little chola
