MANIC RAGE
Depression

There is a meaning of life
Just no one knows it
And Iâ€™ve got something inside
But I canâ€™t expose it
So Iâ€™ll just bide my time
Being differentâ€™s not a crime
This life is fucking hostile
But itâ€™s mine

Iâ€™m breaking down
Iâ€™m fading out
You can waste me now
Because Iâ€™ve fallen on my stance
Iâ€™m breaking down
Iâ€™m fading out
Come on and waste me now
I donâ€™t deserve another chance

Iâ€™m sick in the head
Sometimes I wish I was dead
Because Iâ€™m dumb and a perve
I think Iâ€™m scum of the earth
Iâ€™m sick in the head
Sometimes I wish I was dead
Because Iâ€™m scum of the earth
Please give me what I deserve
An early grave

Like father, like son
Retarded and dumb
Why the hell am I still alive
When all I wanna do is die.
Iâ€™ve mustered the energy to survive
But not long to my suicide
I wanna die!
I wanna die!
I wanna die!
