MANIC RAGE

Fade Away

I feel the aggression
Beating me inside
I feel the depression
Eating me alive
I feel the memories fading
As I drink away the pain
I feel my soul escaping
As I try to fade away
I try to fade away
I try to fade away
I try to fade away

I can't see a reason
Why am I supposed to stay?
I don't wanna be here
So let me fade away
There's nothing to believe in
Everything's a lie
I don't wanna be here
Let me fade away
Let me fade away
Let me fade away from life

I feel the aggression
Beating me inside
I feel the depression
Eating me alive
I feel the thoughts escaping
As I drink away the pain
I don't wanna stay here
Let me fade away
Let me fade away
Let me fade away

I can't see a reason
Why am I supposed to stay?
I don't wanna be here
Let me fade away
There's nothing to believe in

Everything's the same
I don't wanna be here
Let me fade away
Let me fade away
Let me fade away
Let me fade away
Let me fade away!!!
