I WISH I WAS THE ONE

I gave her 100 per cent
She threw it back in my face
I gave everything that I owned
She laughed and threw it away
I gave her my heart and my dick
She split them both in two
She called me a retarded little prick
And now Iâ'm alone
Now Iâ'm alone
And all I want is you
And all I want is you
And all I want is you
All I want is you

She makes me feel like Iâ'm worthless
Iâ'm wanna leave, I don't deserve this
Iâ'm gonna pack my bags and run
She makes me feel like Iâ'm stupid
She says she thinks I don't deserve her
I wish that I could change
And be the only one

And when I look into her eyes
I see her fucking other guys
She says she thinks Iâ'm not the one
And when I ask her "what's the truth"
She says "I want to be with you"
Even though I know
That she's hated me all along

She makes me feel like Iâ'm worthless
Iâ'm wanna leave, I don't think I deserve this
Iâ'm gonna pack my bags and run
She makes me feel like Iâ'm stupid
She says she thinks I don't deserve her
I wish that I could change
I wish I was the one
I wish that I was the one
I wish that I was the one
I wish that I was the one

I wish that I was the one
