MANIC RAGE

IF I COULD

I wish I could escape
From all this anger and all this hate
Take me away to a better place
Far from these thoughts
Far from this state
I wish I could leave
Run away and not return
I wish I could feel
And I wish that I could belong

But if I could IÂ'd end it all for good
I never had a father
And you never had a son
If I could IÂ'd end it all for good
I never had a father
You never had a son!

I wish I could escape
From all these lies and all this pain
Take me away to a better place
Far from this life

Far from this state
I wish I could believe
That there is a reason
I wish I could find it
And I wish that I could belong

if I could IÂ'd end it all for good
I never had a father
And you never had a son
If I could IÂ'd end it all for good
I never had a father
You never had a son!

if I could IÂ'd end it all for good
I never had a father
And you never had a son
If I could IÂ'd end it all for good

I never had a father
You never had a son
You never had a son
You never had a son
You never had a son!
