MANIC RAGE
Lifeless spirit

Please tell me why
I fell behind
I left the line
So you let me die
A lifeless spirit in the dark
A lighted splint is what I was
Always burning
Never fading out
Take me, Lord
Come on and take me now!

I never planned
Never advanced
Never looked
I never had the chance
This time IÂ'll quit
No turning back
My life was shit
But now IÂ'm burning out!

Please tell me why
I fell behind
I left the line
So please let me die

I wonÂ't fight back
IÂ'll let you take me
Can I die quick?
Because the whole world hates me
Let me die!

I never planned
Never advanced
Never looked
I never had the chance
This time IÂ'll quit
No turning back
My life was shit
But now IÂ'm burning out!

I never planned
Never advanced
Never looked
I never had the chance
This time Iâ€™ll quit
No turning back
My life was shit
But now Iâ€™m burning out
Iâ€™m burning out!
