MANIC RAGE
PULLED ME DOWN

They say that Iâ€™m pathetic
But they donâ€™t know what I feel
I hope that they regret it
I hope they feel the guilt
Â‘Cos everything theyâ€™ve done
They pulled me to the bottom
I wish the pain was gone
But this wonâ€™t be forgotten

Everything I felt
I hope they feel the same
I hope they feel the guilt
I hope they feel the pain
I blossomed into nothing
Turned into what they made me
I lost and got destructed
I hope it kills, itâ€™s ended
Aaaaaaaaaaaaaah
Aaaaaaaaaaaaaah
Aaaaaaaaaaaaaah
Aaaaaaaaaaaaaaaaaaaaaaaaaaaaaah!!!!
