THE RACISTS ARE GONNA PAY

They think theyÂ've got the right religion  
And everyone else should be forced to listen  
No wonder the world is always warring  
And thereÂ's so much terrorism  
And just because theyÂ're white  
They think theyÂ're always right  
They canÂ't see that theyÂ're retarded  
And need to get a life  
They need to get a life

But I know that someday  
The racists are gonna pay  
The Nazis and the KKK  
Someday theyÂ're gonna pay  
I hope that sometime  
The world is gonna change  
At the end of their pathetic lives  
I know theyÂ're gonna pay

And why should people suffer?  
Just because racists are fucked up  
They think theyÂ're so much better  
Because theyÂ're not a different colour  
And why do we have to live with  
These narrow minded dickheads  
CanÂ't they see it doesnÂ't matter  
That everyone is different  
Everyone is different

But I know that someday  
The racists are gonna pay  
The Nazis and the KKK  
Someday theyÂ're gonna pay  
I hope that sometime  
The world is gonna change  
At the end of their pathetic lives  
I know theyÂ're gonna pay

We donÂ't want their violence  
We donÂ't want their shit

They're all so narrow minded  
They're all a load of dicks  
We don't want their anger  
We don't want their hate  
Colour doesn't even matter  
The racists are gonna pay

The racists are gonna pay  
The racists are gonna pay  
The racists are gonna pay  
The racists are gonaa pay  
They're gonna pay!!!
