MANIC RAGE

Trapped in a memory

Rip my skin till I feel the sin
Resurrect the beast from the pit within
Take me down to hell
Resurrect the devastation
Take me back again
To the restless wrath of Satan

Trapped in a memory
Fuck all your enemies
You're not better than me
You're not better than me
Trapped in a memory
Fuck all your enemies
You're not better than me
You're not better than me
Trapped in a memory
Fuck all your enemies
Fuck all your enemies
Fuck all your enemies
Trapped in a memory
Fuck all your enemies
Fuck all your enemies
Fuck all your enemies
Aaaaaah!

Rip my skin till I feel the sin
Resurrect the beast from the pit within
Take me down to hell
Resurrect the devastation
Take me back again
To the wretched wrath of Satan
Aaaaaah!

Trapped in a memory
Fuck all your enemies
Fuck all your enemies
Fuck all your enemies
Trapped in a memory
Fuck all your enemies

Fuck all your enemies
Fuck all your enemies
Fuck all your enemies
Aaaaaaaaaah!!!!
