The people will know it's not the time to change it  
it's just for now but not for good  
it's my feelings that i think you're draining  
take them now if you think you should  
you want something for nothing  
the higher that you climb the longer you fall  
maybe your time is coming  
will you have to climb when you find a wall?  
is it time to doubt?, is it time to wait?  
will you be left alone at the starting gate?  
i'm not blind and i don't mind  
cause i got time now i'm alive

the people have known it's not the time to change it  
but are they gonna do something now  
i think i've seen you all hesitating  
i think i'll go and do something now  
you want something for nothing  
the higher that you climb the longer you fall  
maybe your time is coming  
will you have to climb when you find a wall?  
is it time to doubt?, is it time to wait?  
will you be left alone at the starting gate?  
i'm not blind and i don't mind  
cause i got time now i'm alive  
yeah i'm alive  
and now i'm alive  
yeah i'm alive
