Show me who you are
I'll show you what you love
I'll give you half the world if that's enough

Let me take you down
Let me hear you smile
Let me rest my head here for a while

In the end we'll leave it all behind
Because the love I think I'm tryin' to find
It's probably all in the mind

Show me who you are
I'll show you what you love
I'll give you all the world if that's enough

In the end we'll leave it all behind
Because the love I think I'm tryin' to find
It's probably all in the mind

In the end we'll leave it all behind
In the end we'll leave it all behind
In the end we'll leave it all behind

Because the love I think I'm tryin' to find
It's probably all in the mind

All in the mind
All in the mind
All in the mind
