Show me a wonder  
You can't be sure of  
I exist in a place  
A self-made vacuum  
But still stranded here  
With all the scum  
So clean - so lost - so beautiful

But I found that soul  
Yeah I found that home  
But I found that soul

But I found that soul  
Yeah I found that now  
But I found that soul

Not a subject  
Not a subject am I  
Sick and pale but  
Strangely alive  
Broken blood vessels  
Line my cheeks  
Reflections look bad  
And somehow unreal

But I found that soul  
Yeah I found that home  
But I found that soul

But I found that soul  
Yeah I found that now  
But I found that soul

But I found that soul  
Yeah I found that home  
But I found that soul

But I found that soul  
Yeah I found that now  
But I found that soul

Show me a wonder

Show me a wonder  
Show me a wonder  
Show me a wonder
