I, i wish i could swim  
just like a dolphin  
like dolphins can swim  
but nothing is gonna keep us together  
and we can beat them  
for ever and ever  
cause we can be heroes  
just for one day

i, i will be king  
and you, you're gonna be my queen  
well but nothing  
is gonna drive us away  
cause we can be heroes  
just for one day  
and we're gonna be ourselves  
just for one day

i, i can remember  
(i remember)  
when i was standing  
by the wall  
(by the wall)  
and then the guns  
they shot over our heads  
(over our heads)  
and then we kissed  
as though nothing could fall  
(nothing could fall)  
but when they're shooting  
you know the seine was on their side  
but we're gonna beat them  
for ever and ever

cause we can be heroes  
just for one day

we can be heroes  
just for one day  
we can be heroes  
just for one day  
we can be heroes

just for one day  
yeah we can be heroes  
just for one day
