Locked up in chains for the rest of my life
there's no-one else to blame but me
the start of the day's just the end of the night
i'm feeling like i'm lost in the sea

sometimes it just seems so simple
i'm feeling like i'm down on my knees
sometimes like a man in the middle
i don't know my own mind
won't you let me be

cause i can find you
living in my world
dragging me round like just like a dog on a lead
but when i find my, own piece of mind, i
i will believe

i'm locked up in chains for the rest of my life
there's no-one else to blame but me
the start of the day's just the end of the night
i'm feeling like i'm lost in the sea

sometimes it just seems so simple
i'm feeling like i'm down on my knees
sometimes like a man in the middle
i don't know my own mind
won't you let me be

cause i can find you
living in my world
dragging me round like just like a dog on a lead
but when i find my, own piece of mind, i
i will believe

cause i can find you
living in my world
dragging me round like just like a dog on a lead
but when i find my, own piece of mind, i
i will believe
i will believe
