You're right, I'm left, she's gone  
You're right, and I'm left all alone  
Well you tried to tell me so  
But how was I to know  
That she was not the one for me

You told me all along  
You're right, our love was so wrong  
But now I've changed my mind  
She broke the ties that bind  
And I know that she never cared for me

Well I thought I knew just what she'd do  
I guess I'm not so smart  
Oh you tried to tell me along  
She'd only break my heart

I'm left, you're right, she's gone  
You're right, and I'm left all alone

She's gone I know not where  
But now I just don't care  
For now I have fallen for you

If you'll forgive me now  
I'll make it up somehow  
So happy we will be  
In a home for two or three  
And I'll soon forget her  
Now I know

Well I thought I knew just what she'd do  
I guess I'm not so smart  
Well you tried to tell me all along  
She'd only break my heart

You're right, I'm left, she's gone  
You're right, and I'm left all alone  
Well she's gone I know not where  
But now I just don't care  
For now I have fallen for you
