Recollect me darlin, raise me to your lips  
Two undernourished egos, four rotating hips  
Hold on to me tightly I'm a sliding scale  
Gonna hit you on then you can inhale  
Clearly out of body experience interferes  
My dreams are flyin, I faint nearly  
Surrounds me though I get lonely

Slowly  
Moving up slowly  
Inertia keeps  
She's moving up slowly  
Slowly  
Moving up slowly  
Inertia creeps  
Moving up slowly  
She comes  
Moving up slowly  
She comes  
Moving up slowly  
Inertia creeps  
Moving up slowly  
She comes  
Moving up slowly  
She comes  
Moving up slowly

In my home no chrome as clear as  
See me now with my nearest dearest  
Been there when I'm over-careering  
Room-shifting is endearing  
Between us is our kitchen  
When she found my irritant's itching  
Been here before  
Been here forever

Moving up slowly  
Inertia keeps  
Moving up slowly  
Inertia creeps  
Moving up slowly  
Inertia keeps

Moving up slowly  
She comes  
Moving up slowly  
Moving up slowly  
She comes  
Moving up slowly  
Inertia creeps  
Moving up slowly  
She comes

There be no sound in my eiderdown  
Awake I lie and the morning's blue  
Room is still my antennae in you  
Nylon burns the beadsread with two  
Gravity's zero, see me stall  
I bounce off walls, lose my footing and fall  
Can be sweet though incomplete though  
And the frames will freeze  
See me on all fours

It's been a long time

She comes  
She comes

I want to x you  
She comes  
I want to x you  
She comes  
x you

I got your radio waves  
I got your radio waves  
Will you take a string  
Say string me along  
Say string me along  
Say inertia creeps  
Inertia creeps and she comes  
Say she comes  
Say she comes  
Say she comes  
Say she comes
