Written by: guns n roses/arkeen

I see your sister in her sunday dress
Shes out to please
She pouts her best
Shes out to take
No need to try
Shes ready to make

Its so easy, easy
When everybodys tryin to please me baby
Its so easy, easy
When everybodys tryin to please me

Cars are crashin every night
I drink n drive everythings in sight
I make the fire
But I miss the firelight
I hit the bulls eye every night

Its so easy, easy
When everybodys tryin to please me baby
Yeah it's so easy, easy
When everybodys tryin to please me
So easy
But nothin seems to please me
It all fits so right
When I fade into the night
See me hit you
You fall down

I see you standin there
You think you're so cool
Why don't you just
Fuck off

Ya get nothin for nothin
If that's what ya do
Turn around bitch I got a use for you
Besides you aint got nothin better to do
And Im bored

Its so easy, easy
When everybodys tryin to please me baby
Its so easy, easy
When everybodys tryin to please me
So easy
But nothin seems to please me
It all fits so right
When I fade into the night
So come with me
Don't ask me where cause I don't know
Ill try ta please you
I aint got no money but it goes to show
Its so easy
