Leviathan, yeah we all want one.
Obidience, consent, accept death.
Brutalness, this life is short.
A Damp refusual, you will be caught.

Leviathan, in disguise.
Leviathan, in all your eyes.
Worship denied on your knees and pray.
This simple expectation to save this day.

Angels, devils, and some more charade
Give us a pain, a god without shame.

Leviathan, in disguise.
Leviathan, in all your eyes.
Worship denied on your knees and pray.
This simple expectation to save this day.

Reprobates, and MPLA
Patty Hearst, oh, they're all the same,
Baader Meinhof and medusa touch
Leviathan, I am your son.

Worship denied on your knees and pray.
This simple expectation to save this day.
Worship denied on your knees and pray...
