I used to live my life in vain  
until today its been the same  
i've gone away to disappear  
my life with you was just too dear  
a better life is all i need  
to free me from this naughty league  
i've been and gone i won't be back  
i'll live my life without all that  
with my own eyes i realised  
it was time to say goodnight  
i was never really sure but now i know i'm right  
i used to live my life in vain  
until today its been the same  
i've gone away to reappear  
my life with you was just too dear  
a better life is all i need  
to free me from this naughty league  
i've been and gone and i won't be back
