Ultramarine
Everything vanishes
Moonlight for my
Stars seem to drift
Not shared through speech
Each sun feels like the last
Death is proclaimed at sunset
By your final lie
Welsh darkness fails
With every shade
Solitude bides time

Joy gives me my last regret
Joy gives me my last regret
Joy gives me my last regret
Joy gives me my last regret

Ultramarine
Everything vanishes
Moonlight for my
Stars seem to drift
Not shared through speech
Each sun feels like the last
Death is proclaimed at sunset
By your final lie
Welsh darkness fails
With every shade
Solitude bides time

Joy gives me my last regret
Joy gives me my last regret
Joy gives me my last regret
Joy gives me my last regret
