A framed adolescence steeped in the history of you  
Stopping the summer once for you  
Experience is lost on me, I am melancholia eternally  
But I still smile so stupidly

For the first time ever I don't understand my television

And just like a moment in Butch Cassidy and the  
Sundance Kid  
I'm perpetually stuck in sepia film  
I'm bleeding inside, I manage to keep it all in  
I Keep it all in

I've spoken so much rubbish, done in no time at all  
Feelings are so fatal in the fall  
No, you never kissed me never felt anything for me  
Sepia the stain that I remember

And these unwritten diaries that can never breathe,  
never breathe

Just like a moment in Butch Cassidy and the Sundance  
Kid  
I'm perpetually stuck in sepia film  
I'm bleeding inside, I manage to keep it all in  
I Keep it all in

And just like a moment in Butch Cassidy and the  
Sundance Kid  
Perpetually stuck in sepia film  
I'm bleeding inside, I manage to keep it all in  
I Keep it all in
