I get up when i'm down
i can't swim but my soul won't drown
i do believe i've got flare
i got speed and i walk on air

cos god give me a soul
in your rock n' roll babe
cos god give me a soul
in your rock n' roll babe
and i get so high i just can't feel it
and i get so high i just can't feel it

in and out my brain
running through my veins
cos you're my sunshine
you're my rain

theres a light that shines on
shines on me
and it keeps me warm
it gave me peace
i must say
i cant sleep
cos the world wont wait

cos god give me a soul
in your rock n' roll babe
cos god give me a soul
in your rock n' roll babe
i can get so high i just can't feel it
i can get so high i just can't feel it

and i get so high i just can't feel it
and i get so high i just can't feel it
and i get so high i just can't feel it
and i get so high i just can't feel it

in and out my brain
running through my veins
cos you're my sunshine
you're my rain
