The usual dreams, the usual schemes
Same lost feelings, same bad day dreams
Only unreal and delirious, out of breath
And out of luck.

Sometimes, when I wake up slowly
Paralysed by the fears within me
Waiting for today to happen
Waiting for a vague impression
Waiting for today to happen
Waiting here with nothing but disaster

Nailed to this bed forever
Turn out the lights tomorrow, whatever

I'm so hung over with sleep
All I want to do is dream
And dream and dream
Just lie down and never leave
Put myself here at your knees

Sometimes, when I wake up slowly
Paralysed by the fears within me
Waiting for today to happen
Waiting for a vague impression
Waiting for today to happen
Waiting here with nothing but disaster

Nailed to this bed forever
Turn out the lights tomorrow, whatever
