Impaler
Master of the pike
Blasphemer
Of all human life
Blood-letter
Drinker of gods wine
Torturer
Of body and mind
Impaler

Impaler
No need for the grave
Death dealer
By stake and by blade
Life bleeder
Romania's shame
Emperor
Or vampire insane

Maniacal mind
Disrupter of life
His thirst never dies

Impaler
Usurper of death
Blood hunter
Stalker of the flesh
Tormentor
Impaler of heads
Destroyer
Unto his death-bed
Impaler
