Ooohhh... Aaahhh...

I'll always love you for the rest of my days
You have won my heart and my soul with your sweet
sexy ways
You gave me hope when I needed someone near
You bring me happiness everyday of every year

And I'll always love you for all that you are
You have made my life complete, you're my lucky my
star
You are the one that I've been searching for
You are my everything, tell me who could ask for more

And I'll always love you, my honey, this will never end
I need you by my side baby
You're my lover, my friend... ooohhh my friend

Instrumental

You give my world, a thrill I've never known
And filled my eager heart with a love to call my own
And I'll always love you, you must know how much I do
You can count on me forever, and I will take good care
of you

I'll always love you, I'm so happy that you're mine
I'll always love you, 'til the end of time
