Promise me you won't be like the rest... ooohhh

Maybe this time I'll be lucky enough  
Maybe this time it won't say goodbye  
I have been hurt many times before  
I don't want to hurt once more

I'll give to all the love I can give  
Tender loving care all thru out the year  
All of the things that your heart desires  
I will give this especially for you

Maybe this time  
When I fall in love with you, you'll stay  
Not like the others who came my way  
And made me cry  
Maybe it's you  
Maybe this time

Just promise me that you'll always will care  
When I need your love  
Say that you'll be there  
When I feel down  
Make me smile again  
Be my love and even my friend

\*\*\*Maybe this time  
When I fall in love with you, you'll stay  
Not like the others who came my way  
And made me cry  
Maybe it's you

(Repeat 2x \*\*\*)

Maybe this time  
When I fall in love with you, you'll stay  
Not like the others who came my way  
And made me cry  
Maybe it's you, ooohhh  
Maybe this time

Maybe it's you, ooohhh
