Coup d'éat [x4]

The government gets overthrown A sudden force, a major blow Over out the new comes in Coup d'éat Give me a bomb A molotov It's a coup d'éat! The generalisimo sets up shop Step out of line Your neck's on the block Armies marching through the streets Dressed so sharp, dressed so neat Coup d'éat [twice] A push from the left and a shove from the right It's all plaaned up, we'll do it tonight First the president then his wife We'll take them for ranson

Or take their lives Attack their embassy They are our enemies El presidente smokes cigars Whoever he does not like He shoots or put behind bars Coup d'éat [twice]

Kill all
