In the darkness that feeds your mind
In your cavernous soothing eyes
You lost some things
You never could replace

(Tell me why?)
I see the forces that drive you
(Who said I?)
For you it's too late to see

(Tell me why?)
Will they make you feel righteous?
(Hear the cries)
They'll flash their twisted faces
Across my screen, yeah

In a world ruled by obsession
Seeking retribution
Breathing pure aggression
A reflection of the hate
That you must breed

You're out of reach
Out of reach

So you got to keep on with your sinister life
Too late to change your mind
Your end will be violent and abrupt
Make sure what's done is done

(Tell me why?)
I see the forces inside you
(Who said I?)
For you it's too late to see

(Tell me why?)
Does it make you feel righteous?
(Please don't cry)
To flash their twisted faces
Across my screen, oh yeah

In a world ruled by obsession

Seeking retribution
Breathing pure aggression
A reflection of the hate
That you must breed

In a world ruled by obsession
Seeking retribution
Breathing pure aggression
A reflection of the hate
That you must breed

You're out of reach
Out of reach
You're out of reach
Out of reach
