I'm growing up, now shit is showing up on the internet
Now everybody and they mama know
They spot pictures and tweets on twitter, no more
hiding it
Now everybody and they mama know
So right now I'mma take some time out to show you my
lifestyle
I ain't no child no mo'

Rock star lifestyle: turned up off the wall
Whether I'm smoking weed, intoxicated of alcohol
Party like a child star, that'd be stupid wild hard
Winning with the swag by far, always a bad bitch in my
car
Never in my right mind, always searching for that high
In the club I'm that guy, niggas always wanna give das
fives
Counting shit if I ride your bitch, and I'm probably gon'
pull her
They taking pics cause I'm famous, and I take your
bitch cause I'm cooler
So please forget your boyfriend, she sick of it, she
bored with him
She sees what's important, you see the car? he can't
afford this
You're pin whip, she's for rim, I put my kin in,
performing
Like warning, I'm going in, it's 4am, and I'm flooring

It's 4am and I'm flooring
It's 4am in the morning
It's 4am and I'm flooring, I'm flooring
It's 4am in the morning
It's 4am in the morning
It's 4am and I'm flooring
It's 4am and I'm flooring
It's 4am in the morning

Into some thangs, that mama won't condone
I been out all night, it's way too late to go home
I'mma hit up my partners, one of them niggas gon' pick

up the phone
Twisted a bit of the vodka, one more shot and I
would've been gone
Thank god for my girlfriend, designated driving the
young
I'm grown, I'm grown, when you're under twenty-one
But I'm still drunk, what to expect? in the club like every
night
Learned the perfect shaded up recipe: that's the pro-
medicine mixed with the sprite
I'm drinking it, cause she pourin' it, going deeper in:
exploring it
Like warning, I'm going in, it's 4am, and I'm flooring

It's 4am and I'm flooring
It's 4am in the morning
It's 4am and I'm flooring, I'm flooring
It's 4am in the morning
It's 4am in the morning
It's 4am and I'm flooring
It's 4am and I'm flooring
It's 4am in the morning

I'm growing up, now shit is showing up on the internet
Now everybody and they mama know
They spot pictures and tweets on twitter, no more
hiding it
Now everybody and they mama know
So right now I'mma take some time out to show you my
lifestyle
I ain't no child no mo'

4am, and I'm flooring
4am, and I'm flooring
4am, and I'm flooring, I'm flooring
It's 4am in the morning
It's 4am in the morning
It's 4am and I'm flooring, I'm flooring
It's 4am in the morning
