Man I feel like money (man I feel like money)
They're attracted to me
They come around like honey (they come around like
honey)
Cus I'm fly like a bee
Man I got em all buzzin buzzin buzzin buzzin
Like da-da-da-da-da-da-da
Man I got the world buzzin buzzin buzzin buzzin
Like da-da-da-da-da-da-da

Uh, back up to back up in the mix like that
And I know ya like it when it's just like that
All the girlies just love my swag
From my kicks to the way I fix my hat
I'm... back
Fresh like some new Js
Brodie got next NBA to pay
I'm too paid
Shaded with some ladies
Reppin my city
West LA baby
West LA made me this way
Two rules:
Stay fresh, homie and get paid
Hey
Never broke and never bummy
I'm from where it's forever sunny

Man I feel like money (man I feel like money)
They're attracted to me
They come around like honey (they come around like
honey)
Cus I'm fly like a bee
Man I got em all buzzin buzzin buzzin buzzin
Like da-da-da-da-da-da-da
Man I got the world buzzin buzzin buzzin buzzin
Like da-da-da-da-da-da-da

When I come around, round, round
They go
Yeah, yeah it's going down, down, down

They go

New cat with a old school feel
Only new artist with a old school deal
Tied to the game by Steve Lobell
So we always win, don't receive no help
New girls act like they know me so well
But I shows no love and be like oh well
When my album drops, sure as hell gon sell
Stack cash and laugh like L-O-L

Man I feel like money (man I feel like money)
They're attracted to me
They come around like honey (they come around like
honey)
Cus I'm fly like a bee
Man I got em all buzzin buzzin buzzin buzzin
Like da-da-da-da-da-da-da
Man I got the world buzzin buzzin buzzin buzzin
Like da-da-da-da-da-da-da

When I come around, round, round
They go
Yeah, when I come around, round, round
They go
When I step in yo town, town, town
They go
Yeah, yeah it's going down, down, down
They go

Yee-uh Yee-uh
Shawty in my ear
Saying all the things that I wanna hear
Buzzin
And as the night ends
Ima have her and get all her friends
Buzzin
Okay, hands in the air (Yee-uh)
From the back to the front
Everywhere
Buzzin
Throwin out 20s
Throwin out hundreds
Ladies gotta love it

Man I feel like money (man I feel like money)
They're attracted to me
They come around like honey (they come around like
honey)
Cus I'm fly like a bee
Man I got em all buzzin buzzin buzzin buzzin

Like da-da-da-da-da-da-da
Man I got the world buzzin buzzin buzzin buzzin
Like da-da-da-da-da-da-da

When I come around, round, round
They go
Yeah, when I come around, round, round
They go
When I step in yo town, town, town
They go
Yeah, yeah it's going down, down, down
They go
