Here we go, move along
Mr. Jack is falling
The cynical, greedy mind
Likes to see what he can take
But doesn't know an open hand
Is empty like a lonely man
Here we go! Move along!
We're just killin' time!

Oh we keep on marchin' on
Oh to the same old song
Oh now it won't be long
'Cause it's comin' down
And the hammer's gonna swing
Hello! Hello!
The revolution's coming!
Hello! Hello!
The revolution's coming!

It's like fighting a poison eye
You can't 'cause it keeps on crying
Well Mr. Jack can feed the eye
Mr. Jack is gonna die
Let my water on his grave
And I'll be all right

Oh we keep on marchin' on
Oh to the same old song
Oh now it won't be long
'Til it's comin' down and the hammer's gonna swing
Hello! Hello!
The revolution's coming!
Hello! Hello!
The revolution's coming!

And soon this will all...
Soon this will be gone...

All I know is - I'm getting off my knees today
What I know is - peace is my right
All I've shown is - we sever and we all bleed bright
Now what I wanted was - just to relay ---

Hello! Hello!
The revolution's coming!
Hello! (Hello!) Hello! (Hello!)
The revolution's coming!
Hello! Hello!
The revolution's coming!
Hello! (Hello!) Hello! (Hello!)
The revolution's coming!
Hello! Hello!
The revolution's coming!
Hello! (Hello!) Hello! (Hello!)
The revolution's coming!
Hello! Hello!
The revolution's coming!

Here the revolution comes...
