Audio Push

Now baby hop up in your way
Push that automatic stop car park
When you get that tell the dj turn this up
Now go and let it bang
See this for my ladies where they ladies
If you're riding now your hitting to the club

I'm so in the house swagger so similar
Blow fly hot hot temperature skin color mocha
Body like a bottle Coca-Cola
No joka need her on my side so I say Hola
Hey, Let me know your name(name)
Do you need a man I'm in the club
Watch you do your thing
You think I'm a fan so join my team
Or I'll go insane cause every
Superman needs a Louise Lane

Now baby hop up in your way
Push that automatic stop car park
When you get that tell the dj turn this up
Now go and let it bang
See this for my ladies where they ladies
If you're riding now your hitting to the club
Now go and wave your hands girl
Now wave your hands girls
Now wave your hands girl
Now wave your hands
You love it do your dance girl
Cause it's that body body rock
Just do your dance girl
Now make that body body rock for me

I see you and your girls pull up in the 7 and quick
question
Did it hurt when you dropped down from heaven
Baby cuz you're a blessing and your body's fire

Got that boy feelin so obsessed no Mariah
Don't give him lies what they say they was
No classroom but I'mma give you
Grade A love I see you poppin in them jeans
You rockin it insane so move your favorite girl
And don't complain

Now baby hop up in your way

Push that automatic stop car park
When you get that tell the dj turn this up
Now go and let it bang
See this for my ladies where they ladies
If you're riding now your hitting to the club
Now go and wave your hands girl,
Now wave your hands girls
Now wave your hands girl
Now wave your hands
You love it do your dance girl
Cause it's that body body rock
Just do your dance girl
Now make that body body rock for me

I'm feeling your vibe can I get witched or what
Feeling your thighs and I picture me lifting them up
Feeling your eyes mesmerize when I'm lookin in them
What do I have to do to physically get you to come with
me
The man in my city the one you lose hate on
And the one in my city
To take you from L.A. to Panama City
I'mma need you to be with it
You dig it?
And not make it

Now baby hop up in your way
Push that automatic stop car park
When you get that tell the DJ turn this up
Now go and let it bang
See this for my ladies where they ladies
If you're riding now your hitting to the club
Now go and wave your hands girl
Now wave your hands girls
Now wave your hands girl
Now wave your hands
You love it do your dance girl
Cause it's that body body rock
Just do your dance girl
Now make that body body rock for me

Now baby hop up in your way

Push that automatic stop car park
When you get that tell the DJ turn this up
Now go and let it bang
See this for my ladies where they ladies
If you're riding now your hitting to the club
