Straight drop... our times
It's gonna start again
Started at ended up
And we start again
Get your money in the right position
... start again cause when they drop
9 times out of 10
I always found a dime
... I got a tip
... tell him text me like...
9 times out of 10
I'll be going in without a pin
... like she ain't got a mas mash...
9 times out of 10
I always found a dime
... I got a tip
... tell him text me like... she hot
We may never ever talk again
I'm not the cops
No cuffing... woman's box
... down to my Polo socks
Was it late until the casket drop?
Never brag about
... cash I got
This swagger light... pass the top
Headed out of this world bro astronaut
NASA man the alpha male omega
Ralph Lauren... LV wavy
Quick gave me the... go crazy
Just cause I am a fly ass 18 19 on July 17
Meet the six letter out... let us sink
9 times out of 10
It's gonna start again
Started at ended up
And we start again
Get your money in the right position
... start again cause when they drop
9 times out of 10
I always found a dime
... I got a tip
... tell him text me like...
