[Intro]

Wa gwan
Da mann dem yut back
Wit a new positive vibe
Everyting irie
Ya mon

[Verse 1]

No violations
Only good vibrations
Iâ'm the voice of my nation
Young niggas gonâ' ride out tonight
Thank yaâ'll for yall patience
Sorry to keep yâ'all waitinâ'
I was doing my thang livinâ'
One amazing wonderful life
Man fuck your advice
We young and donâ't live twice
So Iâ'm doing what feels good
I give a fuck if itâ's right
When she left your hood
We met up at midnight
She said you were no good
She let me get in it twice
I really live a different life
Movinâ' fast tryna get it right
I had to say it One Time
What that west LA city like? (West)
Girl, you know exactly what to do to get me right
Have the weed rolled, bend over then touch your toes

[Hook]

Turn off all the lights
Open up your eyes
We about to catch a vibe
We turninâ' up tonight
Everybody get high
We about to catch the vibe
Have the time of your life
Just enjoy the ride
We about to catch a vibe

What we doing is right
I feel so alive
We about to catch the vibe

[Bridge]

Yea mon, the vibe is heavy
We about to catch a vibe
Mi a want everybody pon da crowd light up
We about to catch the vibe

[Verse 2: Mann]

IÂ'm tryna get faded
Eyes low like Asians
If you speaking my language
Girl we gone find out tonight
Hoes love my cadence
Tell me IÂ'm they favorite
Then they all get naked
I live one wonderful life
She drop it on site
ThatÂ's what she doing Â'cause thatÂ's what I like
Drank got her goinÂ', IÂ'm high as a kite
Girl, we gonÂ' have one Hell of a night
Keep it persistent, IÂ'm strictly on my mission
But still YB on my hit list, watch wifey keep her distance
Before she missinÂ', yeah
You see we all in here
My whole squad and team gonÂ' eat so watch us ball
this year
Man I been dippinÂ', whippinÂ' it while IÂ'm sippinÂ'
SlippinÂ' and slidinÂ' grippinÂ', livinÂ' this life IÂ'm
livinÂ'
ItÂ's twisted so I ainÂ't trippinÂ'

[Hook]

[Bridge]

Vibe, breezy
Gal, sleazy?
No, tease me
Smoke, easy
Lighters up, lighters up, lighters up, yeah
Lighters up, lighters up, lighters up
Vibe, breezy
Gal, sleazy?
No, tease me
Smoke, easy
Lighters up, lighters up, lighters up, yeah
Lighters up, lighters up, lighters up

[Hook]
