I don't know what I want
I don't know where I stand
Between another man
I know but how bout you
I don't know what I want
So baby believe me do you want to go
No no doll, I know but how bout you
Too bad darling now it's done, I'm dragging you down
Take it all night baby we tried for so long now it's done
I'm dragging you down
I don't know where I stand now how bout you
I don't know what I want
I don't know where I stand between another man
Don't know now how bout you
I don't know what I want
So baby believe me do you want to know
No no doll, I know now how bout you
(Chorus...)... I know but how bout you
When I'm lying next to you
I'm fucking dead with you
I know but how bout you
Too bad darling now it's gone
I'm dragging you down
Take it all night baby we tried so hard now it's done
I'm dragging you down
Take it home
Good night baby we tried for so long now it's gone
I'm dragging you down
Take it all night baby we tried so love now it's done
I'm dragging you down
I don't know where I stand now how bout you
I know but how bout you
