"The tragic story of a young boy and his one night stand.

There's a lesson to be learned...don't let this happen to you."

You got it

Got it good

Got your twenty-four symptom

Just a little

Just for fifteen minutes

I want a little

15 minutes of fun, pleasure

Now you're gonna go insane

And a trip, trip

Down to the free clinic

Okay [x7]

That's beautiful [x3]

All right

You got it good

Fifteen minutes
