Bad Words!  
Bad Words!  
Bad Words!  
Bad Words!

Use them when you're happy  
Use them when you're sad  
Use them when you're angry  
Use them on your dad!

Bad Words!  
Bad Words!  
Bad Words!  
Bad Words!

They come in all shapes  
They come in all sizes  
From the tough, to the meek  
They're not words you wanna speak

Bad Words!  
Bad Words!  
Bad Words!  
Bad Words!

They come in all shapes  
They come in all sizes  
From the rich, to the poor  
They're not words you wanna use anymore
