baby bean just wants to scream
coco listens sounds of speed
shane will drive his parents nuts
banging on their table tops

halloween cartoon stars
rocket ships hotrod cars
mutant rangers spokes on bikes
chocolate donuts up all night
bandaids stitches broken arms
mary poppins lucky charms
exaggerated kung fu blows
coughs and sneezes runny nose

clara's going to go go dance
chealsea's straight a's yells and rants
bucket rids the world of dirt
nigel's just an introvert

halloween cartoon stars
rocket ships hotrod cars
mutant rangers spokes on bikes
chocolate donuts up all night
bandaids stitches broken arms
mary poppins lucky charms
training wheels training bras
water wiggles monkey bars
rocco's grassy pads and cleats
travis digs on dino meat
austin rings her such a goof
ian jams with sonic yoof

give in to them see what they'll do
future's theirs not up to you
give in to them see what they'll do
future's theirs not up to you
give in to them see what they'll do
