what they did,past or present
got us in this situation
predicament
no where to run
everybody's building bombs

no more housewives;
"days of our lives",
television,disneyland,
basketball or stars and stripes

their chairman's on his death bed
our president's popularity is down
an epileptic called a colonel
presses a button
and its all knocked down

no more housewives;
"days of our lives",
television,disneyland,
basketball or stars and stripes

hahaha,
you're all gonna die,
and you voted for that guy
science,modern technology,
digs your grave
care of moscow and DC,
votes you never gave

no more housewives;
"days of our lives",
television,disneyland,
basketball or stars and stripes

or stars and stripes,
or stars and stripes,
or stars and stripes

my country 'tis of thee
sweet land of liberty...
