Wild, wild, wild, wild  
Wild in the streets  
Wild in the streets  
Wild in the streets  
Wild in the streets

In the heat of the summer  
Better call out a plumber  
Turn on the steam pipe  
Cool me off

With your big crime fighters  
And your newspaper writers  
Still need a drugstore  
To cure my buzz

Wild in the streets, running, running  
Wild in the streets, running, running  
Wild in the streets, running, running  
Wild in the streets

'64 valiant, hand full of Valiums  
Couple of beers really do me right  
You better believe us, better trust us  
Teenage jive, walking wreck

Wild, wild, wild, running wild  
Wild in the streets, running, running  
Wild in the streets, running, running  
Wild in the streets, running, running  
Wild in the streets

Got a gang called the wolves  
You have to choose  
Play with the boys  
You're bound to lose

A bottle in one hand  
A can in the other  
Don't fool around 'cause they're real  
Mean mothers

Wild, wild, wild, wild  
Wild running, running  
Wild  
Mrs. America, how's your favorite son?  
Do you care just what he's done? No

Wild in the streets, running, running  
Wild in the streets, running, running  
Wild in the streets, running, running  
Wild in the streets, running, running

Wild in the streets, we're running, running  
Wild in the streets, we're running, running  
Wild in the streets, we're running, running  
Wild in the streets
