I was working in the lab, late one night
When my eyes beheld an eerie sight
For my monster from his slab, began to rise
And suddenly to my surprise

He did the mash, he did the monster mash
The monster mash, it was a graveyard smash
He did the mash, it caught on in a flash
He did the mash, he did the monster mash

From my laboratory in the castle east
To the master bedroom where the vampires feast
The ghouls all came from their humble abodes
To get a jolt from my electrodes

They did the mash , they did the monster mash
The monster mash, it was a graveyard smash
They did the mash , it caught on in a flash
They did the mash , they did the monster mash

If you've ever seen a monster before
Dancin' across the dance floor
Don't be afraid, don't run and shout
Turn around and help the monster turn it out

Get down with the monster mash
Get down with the monster mash

Get down with the monster mash
Get down with the monster mash
And if you don't have core hard cash
You can still do the monster mash

The scene was rockin', all were digging the sounds
Igor on chains, backed by his baying hounds
The coffin-bangers were about to arrive
With their vocal group, 'The Crypt-Kicker Five'

They played the mash, they played the monster mash
The monster mash, it was a graveyard smash
They played the mash, it caught on in a flash
They played the mash, they played the monster mash

Out from the coffin', Drac's voice did ring
Seems he was troubled by just one thing
He opened the lid and shook his fist and said
"Whatever happened to my Transylvania Twist?"

It's now the mash, it's now the monster mash
The monster mash, it was graveyard smash
It's now the mash, it caught on in a flash
It's now the mash, it's now the monster mash

Now everything's cool, Drac's a part of the band
And my Monster Mash is the hit of the land
For you, the living this mash was meant too
When you get to my door, tell them Borris sent you

Then you can mash, then you can monster mash
The monster mash and do my graveyard smash
Then you can mash, you'll catch on in a flash
Then you can mash, then you can monster mash

The monster mash

Get down with the monster mash
Get down with the monster mash
Get down with the monster mash
Mash
