'Cause everything you've done to me
made me numb, and I can't feel,
Time standing still.
All The love I've shown you,
wasn't it real?
Or was it a game
To you?
Im losing all my love for you lately
and im breaking down

losing my speed
my hearts beating way to fast to breathe
and i'm breaking down

(you took this love once, and i cant take it)
The love i feel it cannot wait, breakdown.
(The love i feel it cannot wait, breakdown)
The love i feel it cannot wait

All The love I've shown you,
wasn't it real?
Or was it a game?
To you?
Im losing all my love for you lately
and im breaking down

losing my speed
my hearts beating way to fast to breathe
and i'm breaking down

(you've took this love once, and i cant take it)
The love i feel it cannot wait, breakdown.
(The love i feel it cannot wait, breakdown)
The love i feel it cannot wait...
Breakdown
