She ain't as young as she used to be
She's got some miles on her now
She ain't no chicken and her paint job's fadin'
But I still love her anyhow

She still runs hot and sexy
Stoppin' grown men in their tracks
Take her top down in the sunshine
Chase the wind no lookin' back

Fell in lust when I first saw her
Lookin' like a million dollars
Couldn't wait to get inside her
Just to ride her
Listen to her scream
Every young man's dream

And I don't care if the rust shows thro'
She's got some miles on her now
She's still the classic
Still to die for
And I still love her anyhow
