Get out of the kitchen if you can't stand the heat
Get off the dance floor if you can't find the beat
Don't ask me no questions if you think that I'm a liar
Stay out of my love life if you can't light my fire

Don't bet on the big one if you can't afford to lose
Don't walk on the water if you're still wearin' your shoes
Don't try to get to heaven if you can't see the sky
Get out of my love life if you can't light my fire

Here comes miss lucy with her nose up in the air
She's wearin' big karma and a flower in her hair
I'm just mad about her
I'm mad

Don't run for the white house if you want to come back
Don't try for the mainline if you can't find the track
Don't look for the needle if there's smoke in your eyes
Get out of my love life if you can't light my fire

Here comes miss lucy with her nose up in the air
She's wearin' big karma and a flower in her hair
I'm just mad about her
I'm mad

Solo

Here comes miss lucy with her nose up in the air
She's wearin' big karma and a flwer in her hair
I'm just mad about her
I'm mad

Don't run for the white house if you want to come back
Don't try for the mainline if you can't find the track
Don't look for the needle if there's smoke in your eyes
Get out of my love life if you can't light my fire
