Do you remember who you believe angel  
When the chart was in the rise  
Do you remember your leader angel  
For the people and the lies Ã,ÂiÃ,Â. mmmm, yeah

Does she remember oh those heartaches  
And the taste of bittersweet  
She turns the color to the voices in her mind  
Sounds so far, too far to me

She was a noble heart  
She was a noble heart  
She's a child with her head in a cloud  
She's got double the tears in her eyes  
She's got sad eyes  
She won't go down  
Ã,ÂiÃ,Â®cause she knows the way  
Child with her head in a cloud  
She's got double the tears in her eyes  
She's got sad eyes  
She won't go down  
Ã,ÂiÃ,Â®cause she knows the way

Lead

Take your weapon, dare to see her face again  
Ã,ÂiÃ,Â®cause you'll be sad cause she's on the move  
Will you ask the one outside to take your place?  
The child that helped you rove

She was a noble heart  
She was a noble heart  
She's a child with her head in a cloud  
She's got double the tears in her eyes  
She's got sad eyes  
She won't go down  
Ã,ÂiÃ,Â®cause she knows the way  
Child with her head in a cloud  
She's got double the tears in her eyes  
She's got sad eyes  
She won't go down  
Ã,ÂiÃ,Â®cause she knows the way

Do you remember little sister  
Do you accept the tears won't go  
Do you remember little sister  
Child that's left out in the cold

She's in your heart  
She's in your heart
